Don't Change

Why Don't We

All night, all night
You've been in your mind
We were supposed to be leavingBut you keep overthinking
Everything you try
Try, oh, it's not right
One doubt then another
Another something to coverYou're in the mirror, but you're not seeing yourself
Just seeing all the ways you could be someone else
I know you feel sometimes like you're not good enough
You're not the only one
All I'm tryna say is don't change
Every part of you is just right, don't change
Not a single curve or one line
So why cover up your flaws?
When they make you who you are (Oh-oh)
All I'm tryna say is don't change (Ooh)Don't change (Ooh)
It's hard, it's hard
When you're in the dark
Tryna see things clearly
Yeah, I felt how you're feeling
All of the stress, pressure
All in pursuit of perfection
Wish we knew that imperfections
Make you an exception
You're in the mirror
But you're not seeing yourself (Not seeing yourself)
Just seeing all the ways you could be someone else
I know you feel sometimes like you're not good enough (Oh-no)
You're not the only oneAll I'm tryna say is don't change
Every part of you is just right, don't change
Not a single curve or one line
So why cover up your flaws?
When they make you who you are (Oh-oh)
All I'm tryna say is don't change (All I'm tryna say)Don't change (Ooh)
No, no, no
No, not one thing
No, not one thing (No, not one thing)
Every part about you is as it should be (Woah-oh)
No, not one thing
No, not one thing
Every part about you is as it should beDon't change
Every part of you is just right, don't change

Not a single curve or one line
So why cover up your flaws?
When they make you who you are (Oh-oh)
All I'm tryna say is don't change
