

# The Answer

## Memphis May Fire

I hit the bottom of my lowest lows.  
My darkest hours are the times I grow  
and every time I am broken I know that it's only so I can be restored.  
I never would have found my way  
If I didn't realize I was lost in the first place.  
Amazing grace how sweet the sound.  
I never could have picked myself up off the ground.  
Now I see it's not about the things I've done, but what you've done in me.  
Now I see fear is irrelevant 'cause you know my every need.  
I'm reaching out; you pull me out of the depths.  
I see you now; I'm letting go of the rest  
And I won't fear the fall 'cause I know that you'll be there to catch me.  
I'll look to you when there's trouble at sea  
'cause I can walk on water when I believe.  
Now I know it's true, you are the answer to everything!  
How could I fear this heartbeat that beats for you?  
How could I fear this heartbeat that beats for you?  
I'm letting go of every fear I hold on to.  
Well I don't know what the future holds,  
But I know who holds it and it's beautiful.  
Every time that I fall short I'm so thankful I'm not in control.  
I'm reaching out.  
I see you now  
And I won't fear the fall 'cause I know that you'll be there.  
I'm reaching out; you pull me out of the depths.  
I see you now; I'm letting go of the rest  
And I won't fear the fall 'cause I know that you'll be there to catch me.  
I'll look to you when there's trouble at sea  
'cause I can walk on water when I believe.  
Now I know it's true, you are the answer to everything!  
The answer to everything!  
When my thoughts take shape like a demon,  
I will rest in you.  
The peace I find in my quiet mind comes from knowing that your word is true.  
You are more than enough!  
Now I'm certain that the best is yet to come.  
You are more than enough!  
The best is yet to come.  
I'm reaching out; you pull me out of the depths.  
I see you now; I'm letting go of the rest  
And I won't fear the fall 'cause I know that you'll be there to catch me.  
I'll look to you when there's trouble at sea

'cause I can walk on water when I believe.  
Now I know it's true, you are the answer to everything!
