

Broken (feat. Katt Rockell)

[Xenia Ghali](#)

Dirty lies that speak the truth
Broken hearts that never bruise
Your words are glass, now I can see right through
and the damage that's been done belongs to you
And your chains will never hold me
'cause my heart's already gone
Eyes wide open, I'm unfrozen
You said I'll always be broken.
You said I'll always be broken.
You said I'll always be broken, yeayeah.
You said I'll always be broken, yeayeah.
You said I'll always be...
And now every piece of me
fits together perfectly
I'm all the things you said I'll never be
And dust turned into light and I can breathe
And your chains will never hold me
'cause my heart's already gone
Eyes wide open, I'm unfrozen
You said I'll always be broken, yeayeah.
You said I'll always be broken, yeayeah.
You said I'll always be...
Found the best of me
And left the rest of me
And I don't need you anymore
I found the best of me
And left the rest of me
And I don't need you anymore
You said I'll always be broken, yeayeah.
You said I'll always be broken, yeayeah.
You said I'll always be broken, yeayeah.
You said I'll always be broken, yeayeah.
You said I'll always be...
