Politician (Extended Version)

Aloe Blacc

Making promises, you can't keep
Hungry wolves, dressed like sheep
They shake our hands, slap our backs
I don't know why, they do us like thatNow what i'm saying, is things ain't right
These conditions, ain't no good for life
Who's decision is it anyway, yours or minePushing poison, to our children
Still promoting, class division
We are starving, but you grow fat
I don't know why, they do us like that
Now what i'm saying, is things ain't rightThese conditions, ain't no good for life
Who's decision is it anyway, yours or mineOne day, we're gonna open up
And do what we got to do, yeah
But the revolution will not be televised
And we put the script on you
This free country, is not so free
Ain't no hope, for you and me
From the power hungry, money fiends
Putting the world, behind the sceneNow what I'm saying, is things ain't right
These conditions, ain't no good for life
Who's decision is it anyway, yours or mine
