When We Were Young (feat. Norma Jean Martine)

Lost Kings

This isn't real
it's all in my head, I can feel it
I'm imagining we're gonna wake up from this dream
All over, fall back to sleep pleaseFor a second, for a minute can we go?
For a second, for a minute can we go?
For a second, for a minute can we go?
For a second, for a minute can we go?Can we go back when we were young
And didn't care if we messed up?
We have forever so we got lost in each other
'Cause time wasn't catching, time wasn't catching us
Back when we were young
And didn't care if we messed up
We have forever so we got lost in each other
'Cause time wasn't catching, time wasn't catching us
Without our paper crown of silver and gold
Without our arms and feathers and hollow bones
The more I'm learning, the more I don't know
I feel smaller the more I goFor a second, for a minute can we go?
For a second, for a minute can we go?
For a second, for a minute can we go?
For a second, for a minute can we go?Can we go back when we were young
And didn't care if we messed up?
We have forever so we got lost in each other
'Cause time wasn't catching, time wasn't catching us
Back when we were young
And didn't care if we messed up
We have forever so we got lost in each other
'Cause time wasn't catching, time wasn't catching us
Back when we were young
And didn't care if we messed up
We have forever so we got lost in each other
'Cause time wasn't catching, time wasn't catching usNa-na-na-na, na-na-na-na, na-na-na-na
You can't catch me now
Na-na-na-na, na-na-na-na, na-na-na-na
You can't catch me
