

# Duck and Run

## 3 Doors Down

To this world I am unimportant  
Just because I have nothing to give  
So you call this your free country  
Tell me why it costs so much to live  
Tell me why This world can turn me down  
But I won't turn away, oh no  
I won't turn around All my work and endless measures  
Never seen to get me very far  
Walk a mile just to move an inch now  
Even though I'm trying so damn hard  
I'm trying so hard  
This world can turn me down  
But I won't turn away  
And I won't duck and run  
Cause I'm not built that way  
When everything is gone there is nothing left to fear  
The world cannot bring me down  
No cause I am already here, oh no I am already here  
Down on my knees  
I am already here  
Oh, no, I am already here  
I must have told you a thousand times I am not running away I won't duck and run  
I won't duck and run  
I won't duck and run  
No I pass away  
This world can turn me down  
But I won't turn away  
And I won't duck and run  
Cause I'm not built that way  
When everything it gone  
There is nothing left to fear  
This world cannot bring me down  
No cause I am already here This world can turn me down  
But I won't turn away  
And I won't duck and run  
Cause I'm not built that way  
When everything is gone  
There is nothing left to fear  
This world cannot bring me down  
No cause I am already here
