

Wildside

Sabrina Carpenter & Sofia Carson

My heart is racing, can't stop this feeling
My ground is shaking oh, wanna let go, go crazy
Dance on the ceiling my world is waiting oh
Don't want to stop, give up, I want it all 'cause I just ain't had it enough
Keep up, we're gonna show the world
That there's just no stopping us
No one can hold us back we're gonna break the rules
Can't hold us back we're gonna light the fuse and us
I'm living on the wildside, wildside
No telling what I might find, might find
No stopping 'cause it feels right, feels right
I'm living on the oh oh oh
On the wildside, wildside
So let it now it's my time, my time
No stopping 'cause it feels right, feels right
I'm living on the oh oh oh oh
I used to think that good things were so bad
No need to hold back not me no more
I'm walking this road I'm taking control
My heart can say no
I'm living on the wildside, wildside
No telling what I might find, might find
No stopping 'cause it feels right, feels right
I'm living on the ooh ooh ooh
On the wildside, wildside
So let it now it's my time, my time
No stopping 'cause it feels right, feels right
I'm living on the ooh ooh ooh ooh
Don't want to live my life by design
Locked inside, breaking
Break the rules
Light the fuse
Something new that's why
I'm living on the wildside
No telling what I might find
No stopping 'cause it feels right oh oh oh oh
I'm living on the wildside, wildside
No telling what I might find, might find
No stopping 'cause it feels right, feels right
I'm living on the oh oh oh
On the wildside, wildside
So let it now it's my time, my time

No stopping 'cause it feels right, feels right
I'm living on the oh oh oh oh
I'm living on the wildside, wildside
