When I Look At You

Miley Cyrus

Everybody needs inspiration Everybody needs a song

A beautiful melody

When the night's so long'Cause there is no guarantee That this life is easyYeah, when my world is falling apart

When there's no light to break up the dark

That's when I, I

I look at youWhen the waves

Are flooding the shore and I can't

Find my way home anymore

That's when I, I

I look at you

When I look at you, I see forgiveness

I see the truth

You love me for who I am

Like the stars hold the moon

Right there where they belong

And I know I'm not alone Yeah, when my world is falling apart

When there's no light to break up the dark

That's when I, I

I look at youWhen the waves

Are flooding the shore and I can't

Find my way home anymore

That's when I, I

I look at you

You appear just like a dream to me

Just like Kaleidoscope colors that

Cover me, all I need

Every breath that I breathe

Don't you know you're beautiful? Yeah, yeah, yeahWhen the waves

Are flooding the shore and I can't

Find my way home anymore

That's when I, I

I look at you

I look at youYou appear just like a dream

To me
