Burning Up

Madonna

Don't put me off because I'm on fire And I can't quench my desire Don't you know that I'm burning up for your love You're not convinced that that is enough I put myself in this position And I deserve the imposition But you don't even know I'm alive And this pounding in my heart just won't die I'm burning upI'm burning up, burning up for your love I'm burning up, burning up for your love I'm burning up, burning up for your love For your love You're always closing your door Well that only makes me want you more And day and night I cry for your love You're not convinced that that is enough To justify my wanting you Now tell me what you want me to do I'm not blind and I know That you want to want me but you can't let go Come on, let goI'm burning up, burning up for your love I'm burning up, burning up for your love I'm burning up, burning up for your love For your love, ohDo you wanna see me down on my knees Or bending over backwards, now would you be pleased? Unlike the others I'd do anything I'm not the same, I have no shame I'm on fire Come on, let go Do you wanna see me down on my knees Or bending over backwards, now would you be pleased? Unlike the others I'd do anything I'm not the same, I have no shame I'm on fire Come on, let goOoh, yeah - I'm burning up Ooh, yeah - I'm burning up Come on, oh come on - I'm burning up Uh, uh, uh - I'm burning up Ooh, yeah - I'm burning up

Come on, oh come on - I'm burning up
Ooh, yeah - I'm burning up
Uh, uh, uh

You know you got me burning up, baby
You know you got me burning up, baby
Burning up for your love
Burning up for your love...
