

Cat Scratch Fever

Pantera

Alright! Well I don't know where they come from
But they sure do come
I hope they're comin' for me
And I don't know how they do it
But they sure do it good
I hope they do it for free[Chorus]
They give me cat scratch fever
Cat scratch fever
Well the first time that I got it
I was just ten years old
Got it from some pussy next door
Then I went and seen the doctor
And he gave me the cure
I think I want it some more[Repeat Chorus 2x]It's nothing dangerous
I feel no pain
I've got to ch-ch-change
You know you got it when you're goin' insane
It makes a grown man cry, cry
Won't you make my bed
I make the pussy purr
With the stroke of my hand
They know they gettin' from me
They know just where to go
When they need their lovin' man
They know I do it for free[Repeat Chorus 2x]
