

# Head Over Heels

## Tears for Fears

I wanted to be with you alone  
And talk about the weather  
But traditions I can trace against the child in your face  
Won't escape my attention  
You keep your distance with a system of touch  
And gentle persuasion  
I'm lost in admiration, could I need you this much  
Oh, you're wasting my time, you're just, just, just wasting time  
Something happens and I'm head over heels  
I never find out till I'm head over heels  
Something happens and I'm head over heels  
Ah, don't take my heart, don't break my heart, don't, don't, don't throw it away  
Throw it away, throw it away  
I made a fire and watching it burn (yeah)  
Thought of your future  
With one foot in the past now just how long will it last  
No, no, no, have you no ambitions, (What's the matter with...)  
My mother and my brothers used to breath in clean air  
And dreaming I'm a doctor  
It's hard to be man when there's a gun in your hand  
Oh, I feel so...  
Something happens and I'm head over heels  
I never find out till I'm head over heels  
Something happens and I'm head over heels  
Ah, don't take my heart, don't break my heart, don't, don't, don't throw it away  
And this is my four leaf clover  
I'm on the line, one open mind  
This is my four leaf clover  
La la la la la, la la la la la, la la la la la...  
La la la la la, la la la la la, la la la la la...  
La la la la la, la la la la la, la la la la la...  
La la la la la, la la la la la, la la la la la...  
La la la la la, la la la la la, la la la la la...  
In my mind's eye  
One little boy, one little man  
Funny how time flies
