

# One Thing

## One Direction

I've tried playing it cool  
But when I'm looking at you  
I can't ever be brave  
'Cause you make my heart race  
Shot me out of the sky  
You're my kryptonite  
You keep making me weak  
Yeah, frozen and can't breathe  
Something's gotta give now  
'Cause I'm dying just to make you see  
That I need you here with me now  
'Cause you've got that one thing  
So get out, get out, get out of my head  
And fall into my arms instead  
I don't, I don't, don't know what it is  
But I need that one thing  
And you've got that one thing  
Now I'm climbing the walls  
But you don't notice at all  
That I'm going out of my mind  
All day and all night  
Something's gotta give now  
'Cause I'm dying just to know your name  
And I need you here with me now  
'Cause you've got that one thing  
So get out, get out, get out of my head  
And fall into my arms instead  
I don't, I don't, don't know what it is  
But I need that one thing  
So get out, get out, get out of my mind  
And come on, come into my life  
I don't, I don't, don't know what it is  
But I need that one thing  
And you've got that one thing  
Woah-oh-oh-oh  
Woah-oh-oh-oh  
Woah-oh-oh-oh  
You've got that one thing  
Get out, get out, get out of my head  
And fall into my arms instead  
So get out, get out, get out of my head  
And fall into my arms instead  
I don't, I don't, don't know what it is  
But I need that one thing  
So get out, get out, get out of my mind (Out of my mind)  
And come on, come into my life  
I don't, I don't, don't know what it is  
But I need that one thing  
Yeah, you've got that one thing
