She Is

Lady Antebellum

She hails from Boston
She hates the sound of goodbyes, wait
She loves Sundays and champagne
She can't stand the winter
She can't stand anything that she can't change
Oh, all that she can't changeShe is whatever she wants to be
She is a little of everything
Mixed up, so tough in a beautiful way
She's got the world in her fingertips
And she makes beauty look effortless
And I want everything she is
She is, she is, I want everything she is
Well, we talk for hours
But she wrote the book on how to get nowhere
Don't matter what I say
I could buy her flowers
That's just too cliche to impress a girl like her
But you know I kind of like it that wayShe is whatever she wants to be
She is a little of everything
Mixed up, so tough in a beautiful way
She's got the world in her fingertips
And she makes beauty look effortless
And I want everything she is
She is, she is, she isOh she is all I think about and I can't do without
The good, the bad, the somewhere in between
Oh, 'cause I want everything she is
She is whatever she wants to be
She is a little of everything
Mixed up, so tough in a beautiful wayShe's got the world in her fingertips
And she makes beauty look effortless
And I want everything she is
She is, she is, I want everything she is
She is, she isMixed up, so tough
She's got a little of everything
And I can't get enoughShe hails from Boston
She hates the sound of goodbyes, wait
