

American Boy (feat. Kanye West)

Estelle

Just another one champion sound
Yeah, Estelle, we 'bout to get down (Get down)
Who the hottest in the world right now
Just touched down in London town Bet they give me a pound
Tell them put the money in my hand right now
Tell the promoter we need more seats
We just sold out all the floor seats Take me on a trip, I'd like to go some day
Take me to New York, I'd love to see LA
I really want to come kick it with you
You'll be my American boy He said "Hey, Sister, it's really, really nice to meet you"
I just met this 5 foot 7 guy who's just my type
I like the way he's speaking, his confidence is peaking
Don't like his baggy jeans but I'mma like what's underneath them
And no I ain't been to MIA
I heard that Cali never rains and New York's heart awaits
First let's see the west end, I'll show you to my brethren
I'm liking this American boy, American boy Take me on a trip, I'd like to go some day
Take me to New York, I'd love to see LA
I really want to come kick it with you
You'll be my American boy, American boy Would you be my American boy, American boy Can
we get away this weekend? Take me to Broadway
Let's go shopping, baby, then we'll go to a café
Let's go on the subway, take me to your hood
I never been to Brooklyn and I'd like to see what's good Dress in all your fancy clothes
Sneakers looking fresh to death, I'm loving those Shell Toes
Walking that walk, talk that slick talk
I'm liking this American boy, American boy
Take me on a trip, I'd like to go some day
Take me to New York, I'd love to see LA
I really want to come kick it with you
You'll be my American boy Tell 'em wagwan blud Who killing 'em in the UK
Everybody gonna say, "You, K"
Reluctantly 'cause most of this press don't fuck with me Estelle once said to me, "Cool down,
down, don't act a fool now, now"
I always act a fool oww, oww, ain't nothing new now, now He crazy, I know what ya thinking
Ribena I know what you're drinking
Rap singer, Chain blinger
Holla at the next chick soon as you're blinking What's your persona
About this Americana Brama
Am I shallow 'cause all my clothes designer Dressed smart like a London Bloke
Before he speak his suit bespoke
And you thought he was cute before

Look at this peacoat, tell me he's broke
And I know you ain't into all that
I heard your lyrics, I feel your spirit
But I still talk that C-A-A-S-H
'Cause a lot wags wanna hear it
And I'm feeling like Mike at his Baddest
Like The Pips at they Gladys
And I know they love it
So to Hell with all that rubbish
Would you be my love, my love? (Would you be mine?)
Would you be my love, my love? (Would you be mine?)
Could you be my love, my love?
Oh, would you be my American boy, American boy?
Take me on a trip, I'd like to go some day
Take me to Chicago, San Francisco Bay
I really want to come kick it with you
You'll be my American boy, American boy
Take me on a trip, I'd like to go some day
Take me to New York, I'd love to see LA
I really want to come kick it with you
You'll be my American boy, American boy
