

# I Promise

Jaci Velasquez

Lord, You know my heart  
And all my desires  
And the secret things I'll never tell  
Lord You know them well  
Though I may be young  
I see and understand  
That at times like sheep  
We go astray and things get out of hand  
So I promise to be true to You  
To live my life in purity  
As unto You  
Waiting for the day  
When I hear You say  
Here is the one I have created just for you  
Until then O lord  
I will be content  
Knowing that true love  
Will come someday  
And will only come from you  
Cause I have seen the suffering that loneliness can cause  
When we choose to give our love away  
Without a righteous cause  
So I promise to be true to You  
To live my life in purity  
As unto You  
Waiting for the day  
When I hear You say  
Here is the one I have created just for you
