

Calling On Me

Sean Paul & Tove Lo

Calling, calling, calling, calling on me
I'll be there for you
Calling, calling, calling, calling on me Forever running to you
I'll be, I'll be, I'll be, I'll be on time
Like you expect me to
Calling, calling, calling, calling on me
(Yeah, Banx & Ranx) Alright then
True love never fail, love never fall
Real love conquers all (Yeah)
(Ooh, yeah)
I want to be easing your pain and all
Your frustration to be gone (Yeah)
Fade away (I hear you)
I'll be there to give you what you need
I'll support your causes selflessly (Yeah)
I got you
Just like you would do for me without a please
Same blood we bleed (Yeah)
(Oh, yeah) I don't need GPS fi go show me mi friend
Same family from beginning to the end (Oh yeah, yeah)
Same strategy, each one teach one again
Same energy, love don't pretend I hear you
Calling, calling, calling, calling on me
I'll be there for you
Calling, calling, calling, calling on me
Forever running to you
