

# Love You Like That

Dagny

[Verse 1]

You hate that I usually don't open up  
I know when I say it, it doesn't say enough  
With you close, I'm the happiest I ever was[Pre-Chorus 1]  
I tend to avoid getting emotional  
I'm not shutting you out  
It's just the way I'm born  
But I see myself next to you until we're old

[Chorus]

You know how they say you got the real thing  
When nothing else matters  
I love you like that  
I love you like that  
I love you like that  
I love you, I love you  
I love you like that  
All I wanna say is I got the real thing  
And nothing else matters  
I love you like that  
I love you like that  
I love you like that  
I love you, I love you  
I love you like that

[Verse 2]

I'm not always clever with the words I use  
You want something deeper  
Yeah I know you do  
But right when I hold you, don't you know the truth[Pre-Chorus 2]  
One look in my eyes  
And you should know the truth  
You should know the truth

Yeah, you[Chorus]

You know how they say you got the real thing  
When nothing else matters  
I love you like that  
I love you like that  
I love you like that  
I love you, I love you  
I love you like that  
All I wanna say is I got the real thing  
And nothing else matters  
I love you like that

I love you like that  
I love you like that  
I love you, I love you  
I love you like that[Bridge]  
You know when they say you got the real thing  
And nothing else matters  
I love you like that  
I love you like that  
I love you like that  
I love you like that[Chorus]  
You know how they say you got the real thing  
When nothing else matters  
I love you like that  
I love you like that  
I love you like that  
I love you, I love you  
I love you like that  
All I wanna say is I got the real thing  
And nothing else matters  
I love you like that  
I love you like that  
I love you like that  
I love you, I love you  
I love you like that  
Yeah you  
I love you, I love you  
I love you like that  
Yeah you  
I love you, I love you  
I love you like that  
Yeah you  
I love you, I love you  
I love you like that  
All I wanna say is I got the real thing  
And nothing else matters  
I love you like that
