

Somethin' Bad (with Carrie Underwood)

Miranda Lambert

Stand on the bar
Stomp your feet Start clappin' I got a real good feeling something bad is 'bout to happen
pulled up to the church
But I got so nervous, had to back it on up
Couldn't make it to the service
Grabbed all the cash underneath my mattress I got a real good feeling something bad is 'bout to
happen Ran into a girl in a pretty white dress
Rolled down the window, where you heading to next?
Say I'm heading to the bar, with my money out the mattress
I got a real good feeling something bad is 'bout to happen
Stand on the bar Stomp your feet
Start clappin'
I got a real good feeling something bad is 'bout to happen
Drinks keep coming, throw my head back laughing
Wake up in the morning, don't know what happened
Oh, somethin' bad Oh, somethin' bad
Now me and that girl that I met on the street We're rollin' down the road, down to New
Orleans Got full tank gas and the money out the mattress
I got a real good feeling something bad is 'bout to happen
'Bout to tear it up down in New Orleans
just like a real-life Thelma & Louise If the cops catch up, they're gonna call it kidnapping I got a
real good feeling something bad is 'bout to happen
Stand on the bar
Stomp your feet
Start clappin'
I got a real good feeling something bad is 'bout to happen
Drinks keep coming, throw my head back laughing
Wake up in the morning, don't know what happened
Oh, somethin' bad
Oh, somethin' bad
Stand on the bar
Stomp your feet
Start clappin'
I got a real good feeling something bad is 'bout to happen
Drinks keep coming, throw my head back laughing
Wake up in the morning, don't know what happened
Oh, somethin' bad
Oh, somethin' bad
