

# So Nice (Summer Samba)

Bebel Gilberto

Someone to hold me tight, that would be very nice  
Someone to love me right, that would be very nice  
Someone to understand each little dream in me  
Someone to take my hand to be a team with me So nice, life would be so nice  
If one day I'd find  
Someone who would take my hand  
And samba through life with me Someone to cling to me, stay with me right or wrong  
Someone to sing to me some little samba song  
Someone to take my heart and give his heart to me  
Someone who's ready to give love a start with me  
Oh yeah  
That would be so nice  
I could see you and me  
That would be nice Someone to hold me tight, that would be very nice  
Someone to love me right, that would be very nice  
Someone to understand each little dream in me  
Someone to take my hand to be a team with me So nice, life would be so nice  
If one day I'd find  
Someone who would take my hand  
And samba through life with me Someone to cling to me, stay with me right or wrong  
Someone to sing to me some little samba song  
Someone to take my heart and give his heart to me  
Someone who's ready to give love a start with me  
Oh yeah  
That would be so nice  
Should've been you and me  
I could see it would be nice  
Should've been you and me  
I could see it would be nice  
Should've been you and me  
I could see it would be nice
