

# Wild Ride (feat. Joe Walsh)

[Kenny Chesney](#)

"I walked in there," said Slim  
Cleaning up his memory with some sapphire gin  
Mr. Paine grabbed my arm, pulled me aside  
And said, "Kid, are you ready for the wild ride" I looked up, there she stood, I said  
"If you didn't look so great, I'd say you look good"  
Oh, she took her hand, ran it up my thigh  
And said, "Cowboy you ready for the wild ride" Come on now, junior, take a wild ride  
See can you make it on the wild ride  
Don't try no shakin' on the wild ride  
'Cause things start breakin' on the wild ride  
Out on the highway, I saw my mind  
In tiny little pieces thrown from side to side, yeah  
My heart was shattered along with my pride  
Guess you can't keep 'em on the wild ride Come on now, junior, take a wild ride  
See can you make it on the wild ride  
Don't try no shakin' on the wild ride  
'Cause things start breakin' on the wild ride  
Ride, ride, ride, ride, ride Crawl in 'cross the floor, yeah, trying to leave, yeah  
Felt something tuggin' what was left of my sleeve  
I heard a little voice with a gold-plated vibe  
Say, "I bought a ticket for the wild ride" Come on now, junior, take the wild ride  
See can we make it on the wild ride  
Don't try to shake it on the wild ride  
'Cause things start breakin' on the wild ride  
Yeah, could you take me on the wild ride?  
See can you meet me on the wild ride  
Hey baby, shake me on the wild ride  
Think you might break me on the wild ride  
Ride, ride, ride, ride, ride Wild ride  
Wild ride  
Wild ride
