

# If I Was Your Woman

Alicia Keys

Yeah yeah  
If I was your woman  
And you were my man  
You'd have no other woman  
You'll be weak as a lamb If you had the strength  
To walk out my door  
My love would over rule my sense  
And I'd call you back for more If I was your woman  
(If I was your woman)  
If I was your woman  
(If I was your woman)  
And you were my man  
My man, my man, yeah  
(Yeah)  
She tears you down darlin'  
Says you're nothing at all  
(Nothing at all)  
I'm gonna pick you up darlin'  
(When you fall)  
When she lets you fall 'Cause you're like a diamond  
But she shines, treats you like glass, yes she does  
But you keep begging her to love you  
But me you won't ask If I was your woman  
(If I was your woman)  
If I was your woman  
(If I was your woman)  
If I was your woman  
(If I was your woman)  
If I was your woman, yeah  
Life is so crazy, love is unkind  
Because she was first darlin'  
Will she hang on your mind? You're a part of me  
But you don't even know it  
I'm what you need  
But I'm too afraid to show it If I was your  
If I was your woman  
If I was your woman I gotta be, I gotta be your  
(If I was your woman)  
Your woman  
(If I was your woman) If I was your woman  
(If I was your woman)  
Here's what I'd do

I'd never, never, never, never, never  
Stop lovin' you
