They was waiting on it 'till I drop it
Always on a 100 never stop it
She know I got 100s so she drop it
Spit it and I live it now I got it
Too much time I'm high as helicopters
Out my mind they say I need a doctor
Shit as long as my dawgs here
I 'on't really think I have a problem
I 'on't really think these niggas honest
I 'on't really think they know what's coming
I 'on't really think I have an option
Imma treat the game like we was boxing
Know the hood the killer gotta watch it
Loyalty and money I'm a product
School o' hard knocks I got my doctorate
Talkin' 'bout the hottest im the topic
Fuck, drink, smoke all day
Count bank rolls all day
Work hard and go play
Party like the Super Bowl, AyeFuck, drink, smoke all day
Count bank rolls all day
Work hard then go play
Party like the Super Bowl, AyeFuck, drink, smoke all day
Count bank rolls all day
Work hard and go play
Party like the Super Bowl, AyeFuck, drink, smoke all day
Count bank rolls all day
Work hard then go play
Party like the Super Bowl, AyeParty like you're Tom Brady baby

You gon' take me home wavy baby
Know the gas is strong on me baby
Hope you ain't the wrong lady baby
I got money I ain't lazy baby
Wanna see me tell her pay me baby
Wild boy you can't tame me baby
But that pussy drive me crazy crazy
Fucked her once and now she wanna date me
Watch your bitch she stink like niggas lately
Niggas hatin' that just motivate me
I just go wherever money take me
I just go wherever I ain't playin'
Crooked matches imma have to straight
Can't complain I'm bringin home the bacon
Seen some things that need no illustratin'
'ccording to fans I'm next to go
Ain't no question what I'm checking for
Tell em my plans never though
You shootin' yourself, plaxico
Perfect things in life are better slow
And I mean everything except the dough
And I mean every word on every flow
My name is ringin bells on every door Fuck, drink, smoke all day
Count bank rolls all day
Work hard and go play
Party like the Super Bowl, Aye Fuck, drink, smoke all day
Count bank rolls all day
Work hard then go play
Party like the Super Bowl, Aye Fuck, drink, smoke all day
Count bank rolls all day
Work hard and go play
Party like the Super Bowl, Aye Fuck, drink, smoke all day
Count bank rolls all day
Work hard then go play
Party like the Super Bowl, Aye
