

Raise Him Up

Randy Travis

when I first met his momma
she was just 19
she couldn't say for certain who the father was
I have known him every since he was a pup
and I'm gonna raise him up If you never knew your daddy
like I never knew mine
it feels like everybody knows your fatherless
this boy may not be blood of my blood
but I'm gonna raise him up I'll provide for him
walk beside of him
I am strong enough
cause its time he knew
what a son can do
with a fathers love
he can change the world
ya'll may have to look at joseph
a couple thousand years ago
when he held a newborn baby he named jesus
he said he may not be blood of my blood
still I'm gonna raise him up I'll provide for him
walk beside of him
I am strong enough
I will show him too
what a son can do
with a fathers love
and he will change the world 33 years later
when the son was in his grave
broken and abandoned by a world he came to save
his real dad said he's
blood of my blood
and I'm gonna raise him up
I'll provide for you
walk beside of you
I am strong enough
I have seen from you
what a son can do
with a fathers love
one man changed the world
and he can change your world
but you gotta raise him up
raise him up
