

# Scars

## James Bay

You're setting off, it's time to go, the engine's running  
My mind is lost, we always knew this day was coming  
And now it's more frightening than it's ever gonna be  
We grow apart, I watch you on the red horizon  
Your lion's heart will protect you under stormy skies  
And I will always be listening for your laughter and your tears  
And as soon as I can hold you once again  
I won't let go of you, I swear We live through scars this time  
But I've made up my mind  
We can't leave us behind  
Anymore Your hands are cold, your lips are turning blue, you're shaking  
This fragile heart, so heavy in my chest, it's breaking  
And in the dark, you try to make a pay phone call to me  
But you're miles away, you're breaking up  
You're on your own  
It's hard to take, I need an hour just to say hello  
And I can't make the truth of this work out for you or me  
And for all the pennies on your pocket  
We barely get a second just to speak We live through scars this time  
But I've made up my mind  
We can't leave us behind  
Anymore We'll have to hurt for now  
But next time there's no doubt  
'Cause I can't go without you  
Anymore Oh no oh oh  
Oh oh oh oh Oh oh  
Yeah, yeah  
We live through scars this time  
But I've made up my mind  
No, we can't leave us behind  
Anymore  
We'll have to hurt for now  
But next time there's no doubt  
'Cause I can't go without you  
Anymore  
No, I can't go without you  
Anymore
