

Wash Me Clean (KCRW - Live from Malibu PAC)

[k.d. lang](#)

You swim, swim through my veins
Drown me in your reign
My desire carries no shame
My will, will harbour no painWash, wash me clean
Mend my wounded seams
Cleanse my tarnished dreamsSwim, swim through my veins
Drown me in your reignWash, wash me clean
Mend my wounded seams
Cleanse my tarnished dreamsDrink, drink from my spell
Quench, love's drying well
Wash, wash me clean
Mend my wounded seams
Cleanse my tarnished dreams
