

# I Knew I Loved You

## Savage Garden

    Hmm ohh  
    Maybe it's intuition  
    Somethings you just don't question  
    Like in your eyes, I see my future in an instant  
And there it goes, I think I've found my best friend I know that it might sound  
    More than a little crazy but I believe I knew I loved you before I met you  
    I think I dreamed you into life  
    I knew I loved you before I met you  
I have been waiting all my life There's just no rhyme or reason  
    Only a sense of completion  
    And in your eyes, I see the missing pieces  
I'm searching for, I think I've found my way home  
    I know that it might sound  
More than a little crazy but I believe I knew I loved you before I met you  
    I think I dreamed you into life  
    I knew I loved you before I met you  
I have been waiting all my life (Ooh hoo ooo, hoo hoo ooo ooh)  
    A thousand angels dance around you  
    (Ooh hoo, hoo ooo hoo ooo hoo hoo hoo)  
I am complete now that I have found you I knew I loved you before I met you  
    I think I dreamed you into life  
    I knew I loved you before I met you  
    I have been waiting all my life  
    I knew I loved you before I met you  
    I think I dreamed you into life  
    I knew I loved you before I met you  
    I have been waiting all my life  
I knew I loved you before I met you, I knew I loved you (Ooh hoo ooo, hoo hoo ooo)  
I knew I loved you before I met you, I knew I loved you (Ooh hoo ooo, hoo hoo hoo)  
I knew I loved you before I met you (Oh oh, ohh ohh, oh oh oh ay ay yea oh)  
    I knew I loved you before I met you, I knew I loved you  
    I knew I loved you before I met you
