Soldier of Love

Donny Osmond

So you heard that I'm a rebel with a heart made of stone
I got a restless spirit that nobody can own
If a picture tells a story won't you listen to mine
I'm searching for the answer but it's so hard to findYou'll see much deeper when you read between the lines
'Cause there's a fire burning in my eyeLike a thief in the night who can't get enough
I am willing to fight 'cause I'm a soldier of love
Like a shot in the dark when the going gets rough
It's a state of the heart, you're a soldier of loveI'm willing to fightLove can be so heartless when you turn out the lights
A mutual surrender in the heat of the night
Life's an empty picture when you're living alone
And maybe that's the reason every heart needs a home
Each time I fall down, I get on my feet again
I'm gonna win this battle in the endLike a thief in the night who can't get enough
I am willing to fight 'cause I'm a soldier of love
Like a shot in the dark when the going gets rough
It's a state of the heart and you're a soldier of loveYou'll see much deeper when you read between the lines
'Cause there's a fire burning in my eyeLike a thief in the night who can't get enough
I am willing to fight 'cause I'm a soldier of love
Like a shot in the dark when the going gets rough
It's a state of the heart and you're a soldier of loveSha la, la la, la la la, when the going gets rough
Sha la, la la, la la la, I'm a soldier of love
Sha la, la la, la la la, when the going gets rough
Sha la, la la, la la la, a soldier for your love
Like a thief in the night who can't get enough
I am willing to fight 'cause I'm a soldier of love
Like a shot in the dark when the going gets rough
It's a state of the heart, you're a soldier of loveLike a thief in the night who can't get enough
'Cause I'm a soldier of love
Like a shot in the dark when the going gets rough
