

Come Over (feat. Popcaan)

Jorja Smith

Jorja Smith Feat. Popcaan - Come Over
Tell me what I did this time
Why is it I work so hard for you?
I wish I could read your mind
(I don't know if you want me to come over) I don't know if you want me to come over
Don't wanna ask, really I should know better
I don't know if you want me to come over
(Hot body gyal, gyal ah whine up pon mi)
I don't know if you want me to come over
Don't wanna ask, really, I should know better
I don't know if you want me to come over
(Hot body gyal, gyal ah whine up pon mi)
This is something that I'm used to
I give too much but I choose to, and you love that
Yeah, you love that
I don't know what you have been through
But I worked too hard not to lose you, and you know that
Yeah, you know that (Hot body gyal, gyal ah whine up pon mi)
(Mi a call fi you gyal, but you nah answer mi) [Verse 2: Jorja Smith]
Wish I knew what's on your mind
Then I wouldn't think it's something I've done, oh
If you gave more of your time, yeah, we both might just get what we want
Are you too scared to love me? Tell me what I did this time
Why is it I work so hard for you?
I wish I could read your mind
(I don't know if you want me to come over)
I don't know if you want me to come over
Don't wanna ask, really I should know better
I don't know if you want me to come over
(Yuh d'even, yuh d'even, yuh d'even know that)
(Hot body gyal, gyal ah whine up pon mi)
I don't know if you want me to come over
Don't wanna ask (Trouble), really, I should know better
I don't know if you want me to come over
(Hot body gyal, gyal ah whine up pon mi) You should, you wouldn't know
Marry you like Bruno
Too much late night FaceTime
Cut, cyan work ah di studio
It's been a while mi see you whine
It's been a while you smile
You getting prettier, yuh pretty from you a juvenile
Whine up yuh body gyal, yuh fit, can go ah couple mile
Yuh have a bad attitude, sometime you have recoil
This is something that I'm used to (Weh!)

I give too much but I choose to (Trouble!), and you love that
Yeah, you love that
I don't know what you have been through
But I worked too hard not to lose you, and you know that
Yeah, you know that I don't know if you want me to come over
Don't wanna ask, really I should know better
I don't know if you want me to come over
(Hot body gyal, gyal ah whine up pon mi)
I don't know if you want me to come over
Don't wanna ask, really, I should know better
I don't know if you want me to come over
(Hot body gyal, gyal ah whine up pon mi)(Hot body gyal, gyal ah whine up pon mi)
(Mi a call fi you gyal, but you nah answer mi)
(Hot body gyal, gyal ah whine up pon mi)
(Mi a call fi you gyal, but you nah answer mi)
