

Go On Rise Up

Rancid

(Go on rise up)
Into the hemisphere
(Go on rise up)
Tonight let's just make one thing clear Everything is whacked out of line
You betting the action I just can't find (Go on rise up)
Into the midnight blue
(Go on rise up)
'Cause tonight it's just me and you
This world is special
I just wanna hold you
The frequency is there
I just wanna show you (Go on rise up)
Into the hemisphere
(Go on rise up)
'Cause tonight let's make one thing clear (Go on rise up)
Into the hemisphere
(Go on rise up)
'Cause tonight let's just make one thing clear
(Go on rise up)
Into the midnight blue
(Go on rise up)
'Cause tonight it's just me and you!
Aw, go on rise up, go on rise up, go on rise up, go on rise up
Go on rise up, go on rise up, go on rise up, go on rise up
Go on rise up, go on rise up, go on rise up, go on rise up
Go on rise up, go on rise up, go on rise up...yeah!
Yeah! Oh yeah, oh yeah, oh yeah!
C'mon! Aw, go on rise up, go on rise up, go on rise up, go on rise up
Go on rise up, go on rise up, go on rise up, c'mon!
I'm waiting!
