

# Magpie to the Morning

Neko Case

Magpie comes a calling  
Drops a marble from the sky  
Tin roof sounds alarming  
"Wake up child"  
"Let this be a warning"  
Says the magpie to the morning  
"Don't let this fading summer pass you by"  
"Don't let this fading summer pass you by" Come on sorrow  
Take your own advice  
This thundering and lightning gets you rain  
I'm on a top secret mission  
A Cousteau expedition  
To find a diamond at the bottom of the drain  
A diamond at the bottom of the drain  
A diamond at the bottom of the drain Mocking bird sings  
In the middle of the night  
All his songs are stolen and he hides  
He stole them from the Whippoorwills  
And the yellow little light  
He sings them for you special  
He knows you're afraid of the dark  
Come on sorrow  
Take your own advice  
Hide under the bed  
Turn out the light  
The stars this night in the sky are ringing out  
You can almost hear them saying  
"Close your eyes now kid"  
"Close your eyes now kid"  
"These old dreams are hid"  
They are waiting  
Waiting  
They are waiting
