

# Right Here

Staind

I know I've been mistaken  
But just give me a break and see the changes that I've made  
I've got some imperfections  
But how can you collect them all and throw them in my face  
But you always find a way, to keep me right here waiting  
You always find the words to say, to keep me right here waiting  
And if you chose to walk away, I'd still be right here waiting  
Searching for the things to say, to keep you right here waiting I hope you're not intending  
To be so condescending it's as much as I can take  
And you're so independent  
You just refuse to bend so I keep bending till I break  
But you always find a way, to keep me right here waiting  
You always find the words to say, to keep me right here waiting  
And if you chose to walk away, I'd still be right here waiting  
Searching for the things to say, to keep you right here waiting  
I've made a commitment  
I'm willing to bleed for you  
I needed fulfillment  
I found what I need in you  
Why can't you just forgive me  
I don't want to relive all the mistakes I've made, along the way  
But I always find a way, to keep you right here waiting  
I always find the words to say, to keep you right here waiting  
'Cause you always find a way, to keep me right here waiting  
You always find the words to say, to keep me right here waiting  
And if I chose to walk away, would you be right here waiting  
Searching for the things to say, to keep me right here waiting
