

Think About You

LFO

Think
(I think about you)
About
(I think about you)
You
(All the time girl)
All of the timeHey, girl, what you tryin' to do
I mean, like, what you tryin'
To put my body throughTunnel vision is takin' its toll on me
Not to anyone else, it's only you I see
You're drivin' me crazy
Only got a one track mind
Thinkin' 'bout the way your
Body moves when you walk by
And it's makin' me want you(Yeah, oh, and the hook goes)
(Keep thinkin')
Think
(I think about you)
About
(I think about you)
(Every second, every hour of the day)
You
(All the time girl)All of the time
(Thinkin' 'bout you)
(Hey girl, what you tryin' to do
I mean, like, what you tryin' to put my body through)
And I'm a trippin', showin' off your rose tattoo
Right above your ankle
What'chu tryin' to make me do
Oh, so, I can't eat, I can't sleepAll I do is fantasize 'bout
That look that's in your eyes, really I do(Yeah, and the hook goes)
Got me thinkin'
Think
(Constantly I've got you on my mind)
About
(I keep thinkin' about you)
You
(All the time)All of the time
(Girl, I just think of you)
(Don't know what else to do)
(Hey, girl, what you tryin' to do
(I mean, like, what you tryin' to put my body through)I wonder if there is a chance for me

One possibility that I can make love to you
Been dreamin' and hopin' that your heart will open
My prayer come true, make it come true Check this out, I said
Fraire Jacques, dorme vous, what'chu wanna do
The world is spinnin' but I only seem to think of you
She said she never had a real boyfriend and mista a teenage love, Don't you hurt me again,
check the prognosis
You've got the style to content me, without you in my life
I guess the whole thing would be empty
Jiffy pop, love, you don't stop, you got me sinkin'
Visualize your body as I'm thinkin', I'm thinkin' Think
(Constantly, I've got you on my mind)
(I think about you)
About
(I keep on thinkin' about you)
(I've got you on my mind)
(All the time)
(All the time, girl) All of the time
(Girl, I just think of you)
(Don't know what else to do)
(Hey, girl, what'chu tryin' to do
I mean, like, what'chu tryin' to put my body through) Think
(Constantly, I've got you on my mind)
(I think about you)
About
(I keep on thinkin' about you)
(I've got you on my mind)
(All the time)
(All the time, girl) All of the time
(Girl, I just think of you)
(Don't know what else to do)
(Hey, girl, what'chu tryin' to do
I mean, like, what'chu tryin' to put my body through)
