## BoDeans

Hey pretty girl hey pretty girl  
I'm not above ya  
hey pretty girl  
I'm think of ya  
hey pretty girl  
hey pretty girl hey pretty girl  
I wanna know ya  
hey pretty girl  
I wanna show ya  
hey pretty girl  
hey pretty girl  
Well I know  
how much  
it hurts inside  
to feel alone And I've been so long  
without a home  
You're the only thing  
that I need... I need hey pretty girl  
I wanna touch ya  
hey pretty girl  
So very much yea  
hey pretty girl  
hey pretty girl Well I know  
how much  
it hurts inside  
to feel alone  
And I've been so long  
without a home  
You're the only thing  
that I need... I need Hey pretty girl  
I wanna kiss ya  
Hey pretty girl  
Don't wanna miss ya  
Hey pretty girl  
Hey pretty girl Hey pretty girl  
I'm not above ya  
Hey pretty girl  
I've been thinkin of ya  
Hey pretty girl  
Hey pretty girl Hey pretty girl
