

I Almost Do

Taylor Swift

I bet, this time of night you're still up
I bet, you're tired from a long, hard week
I bet, you're sitting in your chair by the window, looking out at the city
And I bet, sometimes you wonder about me And I just wanna tell you
It takes everything in me not to call you
And I wish I could run to you
And I hope you know that
Everytime I don't
I almost do, I almost do I bet, you think I either moved on or hate you
'Cause each time you reach out there's no reply
I bet it never, ever occurred to you that I can't say hello to you
And risk another goodbye
And I just wanna tell you
It takes everything in me not to call you
And I wish I could run to you
And I hope you know that
Everytime I don't
I almost do, I almost do We made quite a mess, babe
It's probably better off this way
And I confess, babe
In my dreams you're touching my face
And asking me if I want to try again with you
And I almost do And I just wanna tell you
It takes everything in me not to call you
And I wish I could run to you
And I hope you know that
Everytime I don't
I almost do, I almost do
I bet, this time of night you're still up
I bet, you're tired from a long, hard week
I bet, you're sitting in your chair by the window, looking out at the city
And I hope sometimes you wonder about me...
