A ritual disgrace, Marrakesh adventure  
A ritual disgrace, Marrakesh adventure (Marrakesh adventure) That familiar sound, explains  
what I'm feeling I'm both lost & found, never been there before  
That familiar sound, explains what I'm feeling I'm both lost & found, never been there before  
A ritual disgrace, Marrakesh adventure A ritual disgrace, Marrakesh adventure (Marrakesh  
adventure)  
A ritual disgrace, Marrakesh adventure A ritual disgrace, Marrakesh adventure (Marrakesh  
adventure)  
Can't tell you how, I even came to get here Mysterious, everything I hold dear  
That familiar sound, explains what I'm feeling  
I'm both lost & found, never been there before  
A ritual disgrace, Marrakesh adventure  
A ritual disgrace, Marrakesh adventure (Marrakesh adventure)  
A ritual disgrace, Marrakesh adventure  
A ritual disgrace, Marrakesh adventure (Marrakesh adventure)  
That familiar sound... explains what I'm feelin'... I'm both lost and found... never been there  
before...
