

# Dead Inside

Muse

Dead Inside Revere a million prayers  
And draw me into your holiness  
But there's nothing there  
Light only shines  
From those who share Unleash a million drones  
And confide me  
Than erase me babe  
Do you have no soul?  
It's like I died long ago Your lips look warm to the touch  
You can bring me back to life  
On the outside you're a blaze and alive  
But you're Dead Inside  
You're free, to touch the sky  
Whilst I am crushed pulverised  
Because you need control  
Now I'm the one  
Who's letting go You like to give an inch  
Whilst I am giving infinity  
But now I've got nothing left  
You have no cares  
And I'm bereft Your skin feels warm to caress  
I see magic in your eyes  
On the outside you're a blaze and alive  
But you're Dead Inside  
Feel me now  
Hold me please  
I need you to see who I am  
Open up to me  
Stop hiding from me  
It's hurting babe  
Only you can stop the pain Don't leave me out in the cold  
Don't leave me out to die  
I gave you everything  
I can't give you anymore  
Now I've become just like you Your lips feel warm to the touch  
My words seem so alive  
My skin is warm to caress  
I'll control and hypnotise You taught me to lie without a trace  
And to kill with no remorse  
On the outside I'm the greatest guy  
Now I'm Dead Inside
