

Dead Inside

Muse

Dead Inside
Revere a million prayers
And draw me into your holiness
But there's nothing there
Light only shines
From those who share
Unleash a million drones
And confide me
Than erase me babe
Do you have no soul?
It's like I died long ago
Your lips look warm to the touch
You can bring me back to life
On the outside you're a blaze and alive
But you're Dead Inside
You're free, to touch the sky
Whilst I am crushed pulverised
Because you need control
Now I'm the one
Who's letting go
You like to give an inch
Whilst I am giving infinity
But now I've got nothing left
You have no cares
And I'm bereft
Your skin feels warm to caress
I see magic in your eyes
On the outside you're a blaze and alive
But you're Dead Inside
Feel me now
Hold me please
I need you to see who I am
Open up to me
Stop hiding from me
It's hurting babe
Only you can stop the pain
Don't leave me out in the cold
Don't leave me out to die
I gave you everything
I can't give you anymore
Now I've become just like you
Your lips feel warm to the touch
My words seem so alive
My skin is warm to caress
I'll control and hypnotise
You taught me to lie without a trace
And to kill with no remorse
On the outside I'm the greatest guy
Now I'm Dead Inside
