

Touch (feat. Paul Williams)

Daft Punk

Touch
Touch, I remember touch
Touch
Touch, I remember touch
Touch
I need something more
I remember touch
I need something more
In my mind
Touch, I remember touch
Pictures came with touch
A painter in my mind
Tell me what you see
A tourist in a dream
A visitor it seems
A half-forgotten song
Where do I belong?
Tell me what you see I need something more Kiss, suddenly alive
Happiness arrive
Hunger like a storm
How do I begin?
A room within a room
A door behind a door
Touch, where do you lead?
I need something more
Tell me what you see
I need something more Home
Hold on
If love is the answer you're home
Hold on
If love is the answer you're home
Hold on
If love is the answer you're home
Hold on
If love is the answer you're home
Hold on
If love is the answer you're home
Hold on
If love is the answer you're home Hold on
If love is the answer you're home
Hold on
If love is the answer you... Hold on
