Good Bad

Ella Mai

So what if I wake up with a attitude?
You assumin' that I must be mad at you
Didn't get no sleep with you last night
Know it hurts when I swerve, but I had to
So what if I wake up with a attitude?
You assumin' that I must be mad at you
I just rolled out of bed on the wrong side, and...
Now we're in a bad moodYou don't wanna deal with it, deal with it
You gotta be real with, real with it
You wanna leave, but you're just in your feels
That's why you're still in it, still in it
You don't wanna deal with it, deal with it
You gotta be real with, real with it
You wanna leave but you're just in your feels
That's why I'm still winnin'
With that good bad behavior
(Good, good, good, good, bad)
Good, bad
(Good, good, good, good, bad)
I'm good bad for you, I'm good bad for you
Oh, oh, that good bad behavior, uh
(Good, good, good, good, bad)
(Good, good, good, good, bad)
Who doesn't love it good bad?
Oh, you want me good bad?Least I know I got your attention
Notice how you can't help but mention, ah
Oh, at least I know I got your attention
Got you with that good bad
Oh, baby, ain't no goin' back
So what if I wake up with a attitude?
You assumin' that I must be mad at you
I just spent about a day doin' my hair
Still ain't fuckin' with it, I ain't goin' nowhere
So what if I wake up with a attitude?
You assumin' that I must be mad at you
Could've said somethin' when I walked past you
'Stead of, you're still in a bad mood, knowin'...You don't wanna deal with it, deal with it
You gotta be real with, real with it
You wanna leave but you're just in your feels
That's why you're still in it, still in it
You don't wanna deal with it, deal with it
You gotta be real with, real with it

You wanna leave but you're just in your feels
That's why I'm still winningWith that good bad behavior
(Good, good, good, good, bad)
Good, bad
(Good, good, good, good, bad)
I'm good bad for you, I'm good bad for you
Oh, oh, that good bad behavior, uh
(Good, good, good, good, bad)
(Good, good, good, good, bad)
Who doesn't love it good bad?
Oh, you want me good bad?Least I know I got your attention
Notice how you can't help but mention, ah
Oh, at least I know I got your attention
Got you with that good bad
Oh, baby, ain't no goin' back
(Good, good, good, good, bad)I could go ahead and be good for you
But I know it's the bad that be calling you
Ain't tryna pick a fight, I know wrong from right
It doesn't matter at the end of the night 'cause
I still go ahead and get bad for you
And I know it's too good for you to walk out the door
So yeah, I may wake up and I'm mad at you
But, baby boy, I know you like a little attitudeWith that good bad behavior
(Good, good, good, good, bad)
Good, bad
(Good, good, good, good, bad)
I'm good bad for you, I'm good bad for you (hey)
Oh, oh, that good bad behavior, uh
(Good, good, good, good, bad)
(Good, good, good, good, bad)
Who doesn't love it good bad? (Who don't?)
Oh, you want me good bad? (Good bad)Good, good, good, good, bad
Good, good, good, good, bad
Good, good, good, good, bad
Good, good, good, good, bad
