Still Rolling Stones

Lauren Daigle

Out of the shadows Bound for the gallows A dead man walking Till love came calling Rise up (rise up) Rise up (rise up)Six feet under I thought it was over An answer to prayer The voice of a Savior Rise up (rise up) Rise up (rise up) All at once I came alive This beating heart, these open eyes? They don't let go? The darkness should have known (You're still rolling rolling, you're still rolling rolling oh) You're still rolling stones (You're still rolling rolling oh) You're still rolling stonesNow that You saved me I sing 'cause You gave me A song of revival I put it on vinyl Rise up (rise up) Rise up (rise up)I once was blinded But now I see it I heard about the power And now I believe it Rise up (rise up) Rise up (rise up) All at once I came alive This beating heart, these open eyes? They don't let go? The darkness should have known (You're still rolling rolling, you're still rolling rolling oh) You're still rolling stones (You're still rolling rolling oh) You're still rolling stonesI thought that I was too far gone For everything I've done wrong Yeah, I'm the one who dug this grave But You called my name You called my name I thought that I was too far gone For everything I've done wrong

Yeah, I'm the one who dug this grave But You called my name You called my nameAll at once I came alive This beating heart, these open eyes? They don't let go? The darkness should have known (You're still rolling rolling, you're still rolling rolling oh) You're still rolling stones (You're still rolling rolling oh)You're still rolling stones (You're still rolling rolling oh, you're still rolling rolling oh) You're still rolling stones (You're still rolling rolling oh) You're still rolling stones (You're still rolling, rolling) (You're still rolling rolling oh, you're still rolling rolling oh) You're still rolling rolling (You're still rolling rolling oh) You're still rolling stones Song Discussions is protected by U.S. Patent 9401941.
