Cave In

Owl City

Please take a long hard look through your textbook 'Cause I'm history

When I strap my helmet on, I'll be long gone
'Cause I've been dying to leaveYeah, I'll ride the range and hide all my loose change
In my bedroom

'Cause riding a dirt bike down a turnpike Always takes its toll on meI've had just about enough of, quote,

"diamonds in the rough"

Because my backbone is paper thin

Get me out of this cavern or I'll cave in

If the bombs go off the sun will still be shining

Because I've heard it said that every mushroom cloud has a silver lining

Though I'm always undermining too deep to know

Swallow a drop of gravel and blacktop

'Cause the road tastes like wintergreen

The wind and the rain smell of oil and octane

Mixed with stale gasolineI'll soak up the sound trying to sleep on the wet ground I'll get ten minutes give or take

'Cause I just don't foresee myself getting drowsy

When cold integrity keeps me wide awakeGet me out of this cavern or I'll cave in Get me out of this cavern or I'll cave in

I'll keep my helmet on just in case my head caves in

'Cause if my thoughts collapse or mind framework snaps

It will make a mess like you wouldn't believe

Tie my handle bars to the stars so I stay on track

And if my intentions stray I'll wrench them away

Then I'll take my leave and I won't even look backI won't even look back Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
