## Ayo Technology (Milow cover version)

## Milow

She work it girl, she work the pole She break it down, she take it low She's fine as hell, she's about the dough Doin' her thing right on the floorAnd money money she's makin' Look at the way she's shakin' Make you wanna touch her, wanna taste her Have you lustin' for her Goin' crazy, face itShe's so much more than you're used to Knows just how to move, seduce you She gon' do the right thing, touch the right spot Dance in your lap 'til you're ready to pop She always ready When you want it she want it Like a nympho, the info Show you where to meet herOn the late night 'til daylight The club jumpin' if you want a good time She gon' give you what you wantBaby, it's a new age You're like my new craze Let's get together Maybe we can start a new phaseThis smoke's got the club all hazy Spotlights don't do you justice, baby Why don't you come over here? You got me sayin' Ayo, I'm tired of using technology Why don't you sit down on top of me? Ayo, I'm tired of using technology I need you right in front of meIn a fantasy, it's plain to see Just how we be, you and me Back strokin', sweat soakin' All into my sex sheetsWhen she ready to ride, I'll be ready to roll I'll be in this bitch 'til the club close What should I do on all fours Now that that shit should be against the lawDifferent style, different move Damn, I like the way you move Girl, you got me thinkin' 'bout All the things I'd do to you Let's get it poppin' shorty We can switch positions From the couch to the counters of my kitchen Baby, it's a new age You're like my new craze Let's get together

Maybe we can start a new phase This smoke's got the club all hazy Spotlights don't do you justice, baby Why don't you come over here? You got me sayin' Ayo, I'm tired of using technology Why don't you sit down on top of me? Ayo, I'm tired of using technology I need you right in front of me Ooh, she wants it, ooh, she wants it Mmm, she wants it, I gotta give it to her She wants it, mmm, she wants it Mmm, she wants it, I gotta give it to her I gotta give it to her Baby, it's a new age You're like my new craze Let's get together Maybe we can start a new phase This smoke's got the club all hazy Spotlights don't do you justice, baby Why don't you come over here? You got me sayin' Ayo, I'm tired of using technology Why don't you sit down on top of me? Ayo, I'm tired of using technology I need you right in front of me
