

The Deployment Song

[Emay Holmes](#)

I'll be on the water for a good time
Looking back at you till you're out of sight
Baby this is war this ain't no game
But this is the life I choose I won't run away Ohhh So I'm picking up my sorrows
And I'm praying for tomorrow
But if this is my last chance
Just hold my hand, hold my hand, hold my hand, Cause baby I'm gonna love you till my eyes
roll back
All the oceans put together couldn't hold my back
You can shed a tear baby it's okay
Just hold me down if I ever drift away
Baby I'm gonna love you till my eyes roll back
All the oceans put together couldn't hold my back
You can shed a tear baby it's okay
Just hold me down if I ever drift away Now this ain't easy not even in the slightest
Leaving you is leaving me in every way
But I'm doing this for you can't you see it
And I can't do this without you there believe it So I'm picking up my sorrows
And I'm praying for tomorrow
But if this is my last chance
Just hold my hand, hold my hand, hold my hand Cause baby I'm gonna love you till my eyes
roll back
All the oceans put together couldn't hold my back
You can shed a tear baby it's okay
Just hold me down if I ever drift away
Baby I'm gonna love you till my eyes roll back
All the oceans put together couldn't hold my back
You can shed a tear baby it's okay
Just hold me down if I ever drift away
