

Cinnamon Girl

Lana Del Rey

Cinnamon in my teeth
From your kiss
You're touching me
All the pills that you did
Violet, blue, green, red to keep me
At arm's length don't work
You try to push me out
But I just find my way back in
Violet, blue, green, red to keep me out
I win
There's things I wanna say to you
But I'll just let you live
But if you hold me without hurting me
You'll be the first who ever did
There's things I wanna talk about
But better not to keep
But if you hold me without hurting me
You'll be the first who ever did
Ah, ah, ah, ah, ah, ah
Hold me, love me, touch me, honey
Be the first who ever did
Ah, ah, ah, ah, ah, ah
Hold me, love me, touch me, honey
Be the first who ever did
