

Them Changes

Thundercat, OG Ron C & DJ Candlestick

Nobody move, there's blood on the floor
And I can't find my heart!
Where did it go?
Did I leave it in the cold?
So please give it back, 'cause it's not yours to take!
It must have fell when I lost my mind
Deep in the cut, drowning in a pain
Somebody help 'cause I can't find my way
Nobody move, nobody move!
Somebody tell me how I'm supposed to feel
When I'm sitting here knowing this ain't real
Why in the world would I give my heart to you?
Just to watch you throw it in the trash
I've been traveling so long, I don't think I can hold on
Where were you when I needed you the most?
Now I'm sitting here with a black hole in my chest
A heartless, broken mess
