## Won't Go Home Without You

## Maroon 5

I asked her to stay But she wouldn't listen She left before I had the chance to say, oh The words that will mend the things that were broken And now it's far too late, she's gone awayEvery night you cry yourself to sleep

thinking "why does this happen to me?"

"Why does every moment have to be so hard?"

Hard to believe itIt's not over, tonight Just give me one more chance to make it right

I may not make it through the night

I won't go home without you The taste of her breath, I'll never get over

The noises that she made kept me awake, ohh

The weight of the things that remain unspoken

Built up so much, it crushed us every day

Every night you cry yourself to sleep

thinking "why does this happen to me?""Why does every moment have to be so hard?"

Hard to believe it

It's not over, tonight

Just give me one more chance to make it right I may not make it through the night

I won't go home without you

ooohh...

It's not over tonightJust give me one more chance to make it right I may not make it through the night I won't go home without you

ooohh...

Of all the things I've felt I've never really showed Perhaps the worst is that I never let you go I should not ever let you goIt's not over tonight Just give me one more chance to make it right I may not make it through the night I won't go home without you

ooohh...

It's not over tonight

Just give me one more chance to make it right

I may not make it through the night

I won't go home without you

And I won't go home without you

And I won't go home without you

And I won't go home without you
