You Make Me Feel... (feat. Sabi)

Cobra Starship

Na na na na na

Na na na na na

Na na na na na

Na na na na naGirl I been all over the world

Looking for you

I'm known for taking what I think I deserve

And you're overdue

And if you you listen you can hear me through the radio

In that bright white noise

What I've been missing in my life

What I been dreaming of

You'll be that girl

You'll be that girl

You'll be

Everything you want

So let me get up there

I'm the baddest baby in the atmosphere

Tell me what you want so we can do just what you like You make me feel that

Na na na na na

You make me feel so

Na na na na naYou make me feel that

Na na na na na

You make me feel so

Na na na na na

You make me feel that

Get a little closer to me girl

And you'll understand

'Cause if you want a guy that knows what you need

Well, then I'm your man

And if I listen I can hear you through my radio

In that bright white noise

What I've been missing in my life

What I been dreaming of

You'll be that girl

You'll be that girl

You'll be Everything you want

So let me get up there

I'm the baddest baby in the atmosphere

Tell me what you want so we can do just what you likeEverything you know I'm flipping

upside down

Take you 'round the world

You know I like it loud

Tell me what you want 'cuz We can do just what you likeYou make me feel that

Na na na na na

You make me feel so

Na na na na naYou make me feel that

Na na na na na

You make me feel so

Na na na na naYou make me feel that

Na na na na na

You make me feel that

Na na na na naYou make me feel so

Na na na na na

You make me feel that

Na na na na naPut your hands up

Put your hands up

Let the lights drop

Let the lights drop

Make my world stop

Make my world stopNa na na na na

Na na na na naYou make me feel that

Na na na na na

You make me feel so

Na na na na na

You make me feel that

Na na na na na

You make me feel so

Na na na na na

Oh, you make me feel that

Na na na na na
