

# Sorry Enough

Chris Brown

Oh Sorry, I wanna love you Don't want too many bad decisions  
No  
Sorry, I wanna love you  
It wasn't my intentions, girl, to go hurt you  
No way Said you need space from me  
I never felt love but it feels like I'm falling (Falling, falling, huh, yeah)  
I know you got niggas on your line callin' (Callin', callin')  
Them niggas never gon' put they all in (All in, all in) I can't say sorry enough, no  
I can't go back in time, for you  
I know it when we lovin' (Ooh, love)  
Believe in me again like I believe in you  
I can't say sorry enough  
Sorry, I wanna love you  
Sorry, I wanna love you  
I can't say sorry enough  
Sorry, I wanna love you  
Sorry, I wanna love you  
(Sorry, I wanna love you) Shawty, I wanna fix it  
Anything and everything, whatever you tell me, baby, I'll be with it  
Name somebody else who got you, say their names and I'm up in it (Uh)  
And tell them girls that's with you  
"Go ahead and mind your business" (Yeah, yeah) Said you need space from me  
I never felt love but it feels like I'm falling (Falling, falling, huh, yeah)  
I know you got niggas on your line callin' (Callin', callin')  
Them niggas never gon' put they all in (All in, all in)  
I can't say sorry enough, no (Sorry, baby)  
I can't go back in time, for you (Ooh, for you)  
I know it when we lovin' (When we lovin', ooh, love, ooh)  
Believe in me again like I believe in you So I can't say sorry enough, no (I'm sorry, baby)  
Sorry, I wanna love you (Huh, ooh)  
Sorry, I wanna love you (Ooh)  
I can't say sorry enough (Ooh, baby)  
Sorry, I wanna love you (Oh)  
Sorry, I wanna love you (Ooh, ooh) Ooh, baby, tell me what you want?  
I done done 'bout everything  
Buried all those parts of me  
Ooh, let me find the remedy  
It's clear that you're not over me  
It's clear that I'm not over you  
How many times will it take for me to say, "I'm sorry" to you, baby? I can't say sorry enough, no  
I can't go back in time, for you  
I know it, when we lovin', ooh love

Believe in me again like I believe in you I can't say sorry enough

Sorry, I wanna love you

Sorry, I wanna love you

I can't say sorry enough

Sorry, I wanna love you

Sorry, I wanna love you Love

Sorry, I wanna love you

Sorry, I wanna love you

Sorry, I wanna love you
