I'll Be Around

The Spinners

This is our fork in the road Love's last episode There's nowhere to go, oh no You made your choice Now it's up to me

To bow out gracefully

Though you hold the key, but babyWhenever you call me, I'll be there

Whenever you want me, I'll be there Whenever you need me, I'll be there

I'll be around

I knew just what to say

Now I found out today

That all the words had slipped away, but I know

There's always a chance

A tiny spark will remain, yeah

And sparks turn into flames

And love can burn once again, but I know you knowWhenever you call me, I'll be there

Whenever you want me, I'll be there

Whenever you need me, I'll be there

I'll be around, yeahWhenever you call me, I'll be there

Whenever you want me, I'll be there

Even if I have to crawl, I'll be there

I'll be around

Just call me on the phone, I'll be there

I'll never leave you alone, I'll be there

Just call out my name, I know I know you know

I'll be around

I'll be standing in a coffin, I'll be there

I'll be a-rippin' it up, I'll be there

I'll be calling out your name to let you know

I'll be around
