

Going Broke

Logan Paul

Wizard

YeahNo, you should've never started with me
Shouts to OBJ, I got real starters with me
And yeah, your girl said that ain't nobody harder than me
No you should, no you should've never started with me
No, you shouldn't
Say you ain't playin' games but your head look like some Tetris
Dropped by your agent and your lawyer, why you flexing?
I'm here to save you, take the blessing
'Cause your career fell apart like One Direction, ayy
Frostbite, cold feet, bitch, you lookin' nervous
Clown shit, take a seat, put him in the circus
Locked up, you deserve it
I'ma knock your ass out like I'm Vontaze Burfict
I said "Oh, no", you don't want the smoke, I'm in go mode
You ain't caught a pass in like so long
Dropped from your team, boy, you done for
I'm in go mode
I said "Oh, no", you don't want the smoke, I'm in go mode
You ain't caught a pass in like so long
Dropped from your team, boy, you done for
'Cause Mr. Whole Lotta Money goin' broke (Yeah)
Mr. Whole Lotta Money goin' broke (Yeah)
Mr. Whole Lotta Money goin' broke (Ayy)
Yeah, Mr. Whole Lotta Money goin' broke
'Cause Mr. Whole Lotta Money gon' choke
Last time I checked, you in the League, scratch that
Last time I checked you on TV
For fightin' with your girl, now your kids look up to me
And Daisy said you slid in and she left your ass on seen
And I ain't say I'm perfect, yeah, I got a lotta baggage
I'ma shine through, yeah, you'd know if you a Maverick
Yo AB, why you throwin' out your mattress?
That's another case, I just put you in the casket'Cause Mr. Whole Lotta Money goin' broke
(Yeah)
Mr. Whole Lotta Money goin' broke (Ayy)
Yeah, Mr. Whole Lotta Money goin' broke
'Cause Mr. Whole Lotta Money gon'-Yeah, mouth runnin' at a four, four
Buddy, you a bum and a poor sport
Had to put your hands on a shorty, tryna score more
Now you got six lawsuits and divorce court
Baby mamma callin', your pull out game weak

Know you need the money, five kids, they gotta eat
Cover of Madden back in 2019, yeah
One year later, police on the scene
Got a whole lotta money, not a whole lotta views
Yo, take a hint, get the fuck off YouTube
Hop in the ring with a king, get some clout, make the news
And yeah, I took an L, but I never really lose He said "Square up", ayy
But when the check show, he duck, yeah
I wish you good luck, ayy
'Cause it's your life you fucked
I said "Oh, no", you don't want the smoke, I'm in go mode
You ain't caught a pass in like so long
Dropped from your team, boy, you done for
I'm in go mode
I said "Oh, no", you don't want the smoke, I'm in go mode
You ain't caught a pass in like so long
Dropped from your team, boy, you done for 'Cause Mr. Whole Lotta Money goin' broke (Yeah)
Mr. Whole Lotta Money goin' broke (Yeah)
Mr. Whole Lotta Money goin' broke (Ayy)
Yeah, Mr. Whole Lotta Money goin' broke
'Cause Mr. Whole Lotta Money gon' choke
